What our couple say about us!

We got married in the Anner Hotel in Thurles on the 16th of July 2021 after 2 cancellations. We went from having quiet a large wedding to 50 guests. I cannot say enough about this fantastic hotel. From our first meeting with our wedding planner Deirdre to the day of the wedding we were treated like royalty. Any fears we had about having live music to not having a big crowd were handled so brilliant by Deirdre. On the day the set up in the hotel was absolutely fantastic. It was a five star plus experience from start to finish. All the staff were so professional while still been so welcoming. There was no waiting on drinks for our guests and John the bar manager and his team were just brilliant. The food was delicious and the service outstanding. The accommodation was fantastic and the grounds absolutely gorgeous for photos. Our guests could not get over how amazing everything was and are still talking about the day quoting it as the best wedding they ever attended. I can't recommend this venue enough.

Thank you all in the Anner for giving us the wedding of our dreams.

Paul & Bridget - July 2021

"We just had our wedding in the Anner Hotel a party of 25. Fantastic from the time we and our guest entered, the staff are so friendly and welcoming and couldn't do enough for you nothing was a problem all requests were met with willingness and kindness. it was obvious that they adhered to covid guidelines which made everyone feel more relaxed.

The way Deirdre and staff set up the ballroom for our day was just stunning, tables of 6 all separated following covid guidelines tables service down for drinks ect but it looked and felt like another wedding I have been to. Only with 5 star service been waited on, We were lucky with the weather on the day so our party went to the gardens again enough tables and space for everyone the table service fantastic we sat drank chatted got everything brought to us everyone loved it. (no need for bar runs missing out). I asked for 3 bowls of icecream for the kids absolutely no problem brought them out. The Anner made my wedding day from start to finish, from the service to the food to all round good vibe the staff gave on the day.

Deirdre was our planner from the start of the process of organizing to the morning after the wedding she was FANTASTIC. friendly, great crack, felt so comfortable and knew I had nothing to worry about, my day was in more than capable hands, with covid restrictions and it not feeling like a special occasion. and my God did Deirdre deliver. Can't thank her enough. We will be back for getaways and meals out. Most Sincerely we would like to thank Deirdre and all staff for wonderful day and stay more than a 5 star."

What our couple say about us!

When we booked our wedding back in December 2017, The Anner Hotel was very important in our decision. We were not disappointed. From the day of booking our wedding, the management and staff were so helpful and accommodating to any request we had, no request was any trouble. When the date of the wedding got closer, and it came to finalising arrangements, I can only say two words. Deirdre Crowe. From the first meeting for our menu tasting, to the subsequent meetings before the wedding itself, Deirdre was the most amazing, helpful, creative person I have ever encountered. Her attention to detail and knowledge is astounding. It was such a pleasure to deal with Deirdre, I missed our chats once the wedding was over! The Anner provided us with a 5 star service the whole weekend of our wedding, everyone is still talking about it! All of our guests were blown away by the food and the service, and anyone who was resident in the hotel thoroughly enjoyed their stay. A huge thank you to the Reservations team who looked after our wedding party and family bookings and handled them all with such professionalism and ease.

From the bottom of our hearts, we thank you all so so much for what we can honestly say was the best weekend of our lives.

Claire and Paul Horgan

The Anner Hotel, Thurles, was an incredible venue and we are so happy that we kept our wedding local. I can't begin to explain the generosity and hospitality of this venue. Deirdre, the wedding organiser at the Anner Hotel, was such a pleasure to deal with. The care we received was outstanding. Nothing was a problem. All our guests commented on how amazing the food was and also the tasteful décor of the hotel.

Anna - Marie & David

Everyone loved the hotel and food was exceptional even tasted better than at our menu tasting on which we received a complimentary overnight stay so we could enjoy the wine.

Deirdre was amazing on the day and on the run up to our wedding she decorated the reception area beautifully with all my China, pictures and our little pieces of us. Everything ran perfectly on our day and I would love to do it all again. Deirdre and the girls were so helpful in trying to contact our photo booth that unfortunately didn't show up on the day but honestly it wasn't needed and we had a great time celebrating. We also had a bbq the next day which was also a big hit and once again the nicest food you could wish for!
