## What our couple say about us!

When we booked our wedding back in December 2017, The Anner Hotel was very important in our decision. We were not disappointed. From the day of booking our wedding, the management and staff were so helpful and accommodating to any request we had, no request was any trouble. When the date of the wedding got closer, and it came to finalising arrangements, I can only say two words. Deirdre Crowe. From the first meeting for our menu tasting, to the subsequent meetings before the wedding itself, Deirdre was the most amazing, helpful, creative person I have ever encountered. Her attention to detail and knowledge is astounding. It was such a pleasure to deal with Deirdre, I missed our chats once the wedding was over! The Anner provided us with a 5 star service the whole weekend of our wedding, everyone is still talking about it! All of our guests were blown away by the food and the service, and anyone who was resident in the hotel thoroughly enjoyed their stay. A huge thank you to the Reservations team who looked after our wedding party and family bookings and handled them all with such professionalism and ease.

From the bottom of our hearts, we thank you all so much for what we can honestly say was the best weekend of our lives.

**Claire and Paul Horgan**

The Anner Hotel, Thurles, was an incredible venue and we are so happy that we kept our wedding local. I can't begin to explain the generosity and hospitality of this venue. Deirdre, the wedding organiser at the Anner Hotel, was such a pleasure to deal with. The care we received was outstanding. Nothing was a problem. All our guests commented on how amazing the food was and also the tasteful décor of the hotel.

**Anna - Marie & David**

Everyone loved the hotel and food was exceptional even tasted better than at our menu tasting on which we received a complimentary overnight stay so we could enjoy the wine.

Deirdre was amazing on the day and on the run up to our wedding she decorated the reception area beautifully with all my China, pictures and our little pieces of us. Everything ran perfectly on our day and I would love to do it all again. Deirdre and the girls were so helpful in trying to contact our photo booth that unfortunately didn't show up on the day but honestly it wasn't needed and we had a great time celebrating. We also had a bbq the next day which was also a big hit and once again the nicest food you could wish for!
