### Child Protection Procedure

- It is compulsory for parents to fill in screening forms for all children taking part in swimming lessons. Any medical or learning difficulties please make all staff aware. All children must be signed in & out for each swimming lesson. All children and adults are made aware of the Child Liaison officers within facility. These are Lyndsey Dooley, Hannah Dooley & Irene Fitzgerald
- If any issues arise they must be brought to a child liaison officer and discussed between the individuals involved. These are Lyndsey Dooley, Hannah Dooley & Irene Fitzgerald
- If accidents occur a written record of any injuries must be documented in an incident report form including written statement from the parent/guardian/witness.
- Any incidents witnessed must be reported to Child Liaison Officer and management
- All staff are vetted and completed Safeguarding training.
- Child protection is all of our responsibility as a community. If you notice any type of abuse, Physical, Mental or sexual you have a duty of care to that child to report it to a Child Liaison Officer or the Guardian.
- Our child safeguarding statement is available for all users.
